SIGNUP FOR WORSHIP NEXT WEEK

The signup for worship services through the month of July will be available this coming week. An email will be sent out when the signup is available. As always we are keeping an eye on the ever changing situation and we will adjust current plans accordingly.

GIVE GRACE

Please keep in mind that everything we are doing here at Redeemer is to ensure everyone feels safe and comfortable returning to worship. We understand there are some that feel the safety measures are unnecessary but please understand there are people that are very appreciative for the measures we are taking. GIVE GRACE to those making decisions as well as to anyone that may think differently than you. This is what being the Body of Christ looks like. Thank You!

Here are a few things that will look a little different for a season, at Redeemer:

- When entering the building, please find your seat in the sanctuary and remember to remain socially distanced (6 feet between family units).
- The order of service will be similar to what you've experienced on the pre-recorded services.
- There will be liturgy and music, but no congregational singing.
- Pew Bibles will not be available for a season, please bring your Bible from home.
- We strongly encourage the wearing of masks while in the building.
- An usher will escort one family/couple/individual at a time out for communion. You are welcome to leave your masks in your pew as you are released for communion.
- Unused rooms in the building will be closed to the public, including the nursery (changing stations are available in the women's restrooms).
- At dismissal an usher will let you out by family/couple/individual beginning at the front of the sanctuary please exit the building as quickly as possible so the sanctuary can be sanitized and set for the next service.

OFFERING

The offering plate will not be passed during the service. Instead, it will be located at the back of the sanctuary as you exit. You are also welcome to go to www.redeemerjackson.org or [CLICK HERE](#) to go directly to our Online Giving through Kindrid and follow the prompts.

WORSHIP RESOURCES ARE AVAILABLE ONLINE

The resources that have been available on our website while we have been shut down, such as worship services, devotions and the weekly Worship at Home Lead-In subscription will continue to be offered, simply [CLICK HERE](#). God has called us to lead our families in discipleship at home—to preach and teach the Bible to our family (Eph. 6:4) You might be thinking "but my church is gathering again after the pandemic, why would I need family resources now?" But God's calling and the key role of family are always present. This is something we are to do in every season!
